PRESS RELEASE

Sean Redmond, Non-Executive Chairman

Cascoda Ltd is proud to announce that it has expanded its team with the appointment of Sean Redmond, Non-Executive Chairman, effective immediately.

Sean Redmond is a Managing Partner of SiliconCatalyst UK the semiconductor start-up accelerator. He has over 35 years of experience in the semiconductor and software industries. Starting his career as a chip designer, he led two market leading design teams. Firstly in digital stereo sound for television and then the first embedded mobile phone chip with VLSI technology.

Sean was VP Europe for Verisity Design Inc, taking them from a standing start to over 120 customer sites throughout Europe in 5 years. He instigated and led Verisity's strategic partnership with ARM, fuelling its meteoric rise and successful IPO. Following their acquisition by Cadence, Sean became VP & GM of Cadence EMEA, doubling its business in 3 years. As VP WW Sales and Marketing for ARC, he helped turn it cash flow positive, leading to the eventual sale to Synopsys.

In 2010 he founded and has been the CEO of Vertizan Limited, the developer of the Vitaq AI-driven Test Automation tool suite. Sean has recently worked closely with the UK government on industrial digital strategy, co-chairing the ElecTech council and being a core member of the industrial digital leadership team. Sean has a BSc(hons), MSc EE from Kings College, London and MBA from Henley Management College.

"Sean is a respected leader with a proven track record of helping technology businesses grow. Sean's wealth of experience and insight will prove invaluable to the company, particularly his expertise in accelerating sales growth while managing company expansion at pace" said Bruno Johnson, CEO of Cascoda.
